Please remember in your prayers all those members of our parish family who are sick or suffering in any way, all those in hospitals or nursing homes, and all of our shut-ins. We pray for all who have died recently. Let us not forget the victims of violence at home and abroad. We remember the men and women serving in the armed forces as we continually pray for peace.

**Family Perspectives**  
By Bud Ozar

Relationships live in a careful balance. If a person changes, the balance is altered requiring a shift in the relationship. In today's gospel, Jesus announced a change and Peter resisted. Sometimes, those we count on for support may actually get in the way. Jesus told Peter: "You are an obstacle to me."

Do you have a system for deciding who does the dishes? (or the laundry, changes the oil, takes out the garbage, etc.) You can divide up chores, alternate, or do them together. Is your current system fair or is it time to renegotiate.

"Dear God, I bet it's very hard for you to love all of everybody in the whole world. There are only four people in our family and I can't do it. (Nan)" You gotta love Nan's sincerity. Love doesn't mean always being happy with everyone, but wanting what's best for them.
